About the project

The FACE (Fostering Awareness on Youth Cultural Entrepreneurship) project aims to empower young individuals by providing accessible online tools and methodologies for cultural entrepreneurship. Through collaboration with partners, FACE addresses the pressing issue of youth unemployment in the EU. By equipping youth educators and organizational staff with the necessary skills and knowledge, FACE seeks to foster a culture of innovation and regeneration. With a focus on leveraging cultural assets and digital skills, the project strives to create opportunities for young people to become successful cultural entrepreneurs in their local communities.
